When you find "The One," you just know...

- **Built as a labor-of-love** from a father for his daughter's wedding, this garden has "grown" to a 3-acre paradise, nestled in the fertile foothills of Ventura County.
- We only **host one event at a time** so you and your family are sure to have the attention to detail required of such an important event.
- Our **distinguished caterer** has been hosting events for over 35 years and has the expertise to pull off the most discerning tastes.
- The **most unique Ceremony Venue** creates an outdoor cathedral for the wedding of a lifetime.
- Our **turn-key, inclusive package** has pulled together the best vendors in the area to create a worry-free event on a grand scale.

- **It's all in the details** - sometimes the little things can make a big difference. Don't worry - we already thought of that.

- **A commemorative brick**, personalized by you, is added to our walkway in the gardens after the wedding. Once you are a Hartley Couple, you are part of the family!

*We hope you want to
make us part of your
family history as well*

"The venue looked gorgeous and met every expectation we could have imagined in our minds and in the execution. We had so many people tell us ... how beautiful everything looked, how great the food was, and on and on. To say it was magical might sound over the top, but I have to say, that is what we all felt. Thank you for providing such a gorgeous back drop for us to share our story as a family."

- Caryn, Jim, Carlie, and Scott Casey
