# Professional Event Coordinator

We have taken the hard part out of planning by securing a professional event planner at a special rate, through Bella Dia Weddings. Here is an excerpt from the Bella Dia Brochure:

## HOW WE PREPARE FOR YOUR EVENT

01

### Meet

We have an in-person meeting at your venue to go over logistics - where everything will be placed and your vision of how it will look. We also go over your wedding day timeline - the Wedding Party, the flow of each event, vendors, and your décor/wedding items.

02

### Timeline and Vendor duties

Our Team will reach out to each vendor to discuss their duties, needs, and provide them with a structured timeline and our support.

03

### Rehearsal

During your **1 hour** Rehearsal you'll learn where parents sit, where bridal party sit/stand, and the processional/ recessional (walking in and out). We'll also go over any day-of items and decor you may have.

04

### Wedding Day

Your big day is finally here! Time for you to relax and enjoy yourself at your beautiful venue while we ensure a smooth and successful day.
